The Teachers' Institute

The teachers of our several schools left in a body for Santa Rosa last Monday morning in order to be in time for the opening of the Teachers' Institute, and a few hours after their arrival met the other teachers at the appointed place.

County Supt. of Schools DeWitt Montgomery called the meeting to order in Assembly Hall of the Santa Rosa High School at half past one o'clock, and was greeted by a large and happy throng of instructors. He stated he did not want his opening designated as an address, the program merely calling for open remarks, but those remarks were brief and to the point, calling to the minds of those present many things to their enlightenment and advantage, pointing out that teachers can make their influence for good felt, not only in the school room but in the community as well.

The Superintendent commended the school work in carving, painting, needlework, writing and other branches displayed in an adjoining room.

Mr. Montgomery emphasized the importance of having the parents and the public generally interested in the advancement of education in both city and country.

In conclusion he stated he hoped the meetings of the Institute would result in mutual benefit to all.

"The attitude of California on Slavery and Disunion," was the topic of Prof. Jas. B. Newell, formerly principal of the Petaluma High School, and was ably presented.

Prof. James B. Newell renewed the condition of affairs in this state prior to the breaking out of the Civil War and during that period.

Throughout the Institute the teachers will listen to able speakers and no doubt will return to us crammed full of knowledge.

State Convention

The forty-second Annual Convention of the Calif. (N) State Sunday School Association will be held at Santa Rosa, April 20-22. The program has been carefully prepared and affords a rich treat for all who may be privileged to attend. The attention of all Sunday School workers is called to a few of the leading speakers. Mrs. Mary Foster Bryner, of Chicago, International Superintendent Elementary Grades, will represent the International Committee. D. Henry F. Cope, Secretary of the Religious Education Association, Chicago, will also be in attendance. This will be Dr. Cope's first appearance on the Pacific Coast. The music will be in charge of Prof. B. P. Stout, of Los Angeles. He is an experienced leader who loves to sing himself and to get others to sing. All railroads will give a rate of one and one-third fare for round trip on certificate plan. Tickets good from April 10th, to April 25th. A large attendance is anticipated.

The Telephone Boys' Ball

"The Gang," of the Northwestern Telephone and Telegraph Co., gave their Social Hop in Union Hall on last Monday evening. While there was not a large crowd there were enough present to have an excellent time, and all in attendance tripped the light fantastic until after twelve. The boys inform us that while in Sonoma they have had many courtesies extended to them and that they gave this dance free to the people of Sonoma before their departure to show their appreciation. Mr. B. Badger proved himself a competent floor manager and is popular and well liked among the girls. The music was furnished by the well known Pauli-Johnson orchestra and was of the first quality.

A. E. Sondag, the Tailor

A. E. Sondag, the tailor, formerly of Sonoma, was in the valley this week taking orders for men's tailor-made suits. Mr. Sondag and family are temporarily located in Fruitvale, but the former expects to get permanent quarters for his tailoring establishment in the metropolis in the near future. For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of the trade. Give him a trial order for a good suit and you'll be satisfied.

THE MAN WHO WINS.

The man who wins is the man who does.
The man who makes things hum and buzz,
The man who works and the man who acts,
Who builds on a basis of solid facts,
Who does not sit down to moan and dream
But hums ahead with the force of steam.
Who hasn't the time to fuss and fret,
But gets there every time—you bet.

The man who wins is the man who wears
A smile to cover his burden of cares;
Who knows that the sun will shine again,
That the clouds will pass and we need the rain;
Who buckles down to a pile of work,
And never gives up and never will shrink
Till the task is done and the toll made sweet—
While the temples throb with the red blood's heat.

The man who loses is the man who means
That the way is rough and he dreads the stones;
Who is looking for something soft to do,
Where the pay is big and the hours are few;
Who dreams of this and dreams of that,
But never suits in and throws off his hat,
Who fears the feel of a drop of sweat,
And never gets anywhere—you bet.

The man who wins is the man who climbs
The ladder of life to the merry chimes
Of the bells of labor, and the bells of toil,
And isn't afraid his ax will split
If he faces the glare of the shining sun,
And works in the light till his task is done—
A human engine with triple beam
With a hundred and fifty pounds of steam.

School Exhibit

County Superintendent DeWitt Montgomery is now engaged in preparing an interesting and attractive exhibit of school work from the various county schools of Sonoma county to be sent to Seattle and placed in the State Educational exhibit at the Alaska-Yukon Exposition this Summer.

The exhibit will consist entirely of drawings and paintings, pressed floral and photographs of buildings and all work of the pupils. One of the most interesting displays made is that from Dunbar district where Miss M. Norvella Davidson has, introduced gardening in her school yard. Splendid photographs have been taken by her of the gardens and the children at work in them beautifying the yard. Another valuable collection is that from the Pine Mountain district taught by Miss May McMeans in which the mountain fern and flowers have been carefully pressed and arranged for display.

The suggestion has been made that the exhibit be placed in the high school building for a couple of days the first of the week when the County Institute meets that an opportunity will be given the teachers and general public to inspect the work and make comparisons. The display is one which will be very creditable to the county and should be seen by the people at home as well as at the exposition.—Press Democrat.

Rose Carnival

Saturday, May 8, has been set as the date for the holding of the Rose Carnival in Santa Rosa. This was determined at a meeting of the general committee of arrangements held on Monday afternoon. The committee discussed plans with much enthusiasm and a campaign will be undertaken right away to get everybody interested and at work, the slogan having gone out that the coming fiesta must be one of the biggest and best Santa Rosa has ever seen. Already word has come from outside sources congratulating Santa Rosa for giving the carnival and promise great crowds of visitors here on Carnival day.—Press Democrat.

There seems to be a reasonable hope that this country may get a final riddance of the pestiferous Emma Goldman, doubtless the most unclaimable termagant who ever trod American soil. The fact that such creatures under our laws can go freely about advocating arson and assassination almost makes one long for the restoration of the ducking stool of our forefathers, whose use is really the most appropriate method of dealing with such a she. Happily, she does not disgrace American blood, for there is not a drop of our forefathers' blood in her, but her existence among us, as well as that of the whole nest of alien anarchists who hang around her, is a disgrace to American law.—San Francisco Chronicle.

That the Washington government is determined to keep a watchful eye upon the Central American Republics is shown by the orders directing the Albany, South Dakota and Colorado to remain on duty in those waters, while the Yorktown, California and Washington go to Magdalena Bay for target practice.

Helberg-Werner Nuptials

At the home of W. A. Werner and wife on Napa Street in this city occurred the marriage of William Helberg, of Shellville, and Mrs. Meta Werner, of this city, on Wednesday last at high noon, Rev. S. L. Lee, of the Methodist Church performing the ceremony.

Only the immediate relatives were present and the wedding was conducted quietly, the participating parties leaving on the afternoon train for a short honeymoon in southern climes.

Mr. Helberg is a well known farmer and fruit raiser of Shellville and is a man of excellent character and a man who, when he gives his word, keeps it.

Mrs. Helberg is a lady held in high esteem and a lady who is a pleasure to know and call a friend. She is the mother of W. A. Werner, proprietor of the Sonoma News Depot of this city.

After a short honeymoon in the south the happy couple will reside in their home in Shellville.

M. and J. Valente have been busy the past few days putting up shelving and fixing up more room in their shoe department.

Mrs. L. S. Simmons and family left Wednesday afternoon for the metropolis, where they expect to remain the rest of the school vacation days.

Note the changes of ads of our advertisers in the several columns of this week's paper. They have good things to offer you at right prices.

There will be no High School notes this and next week, owing to the fact that the pupils are enjoying the vacation on account of the Teachers' Institute.

Bob Kehoe, of San Francisco, is visiting with M. Millerick and family in Shellville. Tom Millerick and Mr. Kehoe recently returned from Nevada with a carload of fine horses.

The Woman's Improvement Club of Sonoma are busy with arrangements for their dance in Union Hall tomorrow evening. From all reports we think it will be well attended.

Remember and attend the dance to be given in Glen Ellen by the Woman's Improvement Club on Friday evening, April 16 in Myr van Hall. Admission 25c. Supper 25c.

And now may our trustees be praised for ever more. Relief from the dust is at hand at last. The Sprinkler started yesterday afternoon and is making the fight of it's life laying the dust.

Commencing Sunday April 11 you can get the famous Wack ice cream of Petaluma in the following flavors: vanilla, orange and strawberry. Also a delicious ice cream soda at the Sonoma News.

Tony Happe, proprietor of the Embarcadero Hotel, is going to run a bus between Agua Caliente and Embarcadero. The trip is to be made on regular schedule and cards will be out announcing time of arrival and departure from each point of interest.

Mr. O. L. Houts, proprietor of the Houts Auto Company, of Santa Rosa, was in town Wednesday greeting old friends and making new acquaintances and giving all a ride in his five-passenger Reo. By the way, note his change of address in another column, also an article headed, "Reo Seeks Again."

Theodore Richards, proprietor of Agua Caliente Hot Springs, has had a large force of mechanics and laborers busy these spring days. He has added twenty more bath-tubs to his bath house, and made an addition to the Lark, which will make it the largest club house in the valley. Has put in all the modern conveniences in the plumbing line and is painting and papering things in and out of the buildings. The fine grounds are being fixed up in general. Mr. Richards informs us that the summer season is now on, and that he now has seventy-five people enjoying their vacation at his resort.

The Woodmen of the World of this city contemplate giving a dance about May 15, and are arranging details for the same. It will be remembered that their last dance, the masquerade on New Year's Eve last, was well attended and that they gave several valuable prizes. The committee in charge contemplate giving a prize waltz and a door prize as well. They figure on giving away about \$12 in prizes. Further details will appear in these columns later.

After lodge meeting last Wednesday evening the Women of Woodcraft went in a body to the Sonoma News Depot and enjoyed some of that Wack ice cream, and while thus engaged watched the antics of an aged pedestrian who happened along and amused the crowd in order to get in on the treat. He was not blessed with a red nose but worked the same old game just the same.

The people of Glen Ellen are delighted with the recent gifts made to the village by Dr. McDowell. He deeded a lot to the public library association, for building purposes. He also presented to the Woman's Improvement Club a choice piece of real estate. Glen Ellen is to be congratulated upon her good fortune.

Eddie Martin, known to be the youngest race track driver in the United States made the record at Petaluma races last Sunday with his 6 cylinder Stevens-Duryea. He has it for rent at the Agua Caliente Springs this year and hopes to hear from his friends. Phone, Suburban 43.

We note that H. Pellessier, proprietor of Lawrence Villa, is giving everything a general overhauling and beautifying his grounds around his place. Mr. Pellessier has a very large phonograph and can furnish music of fine quality and great volume to the lovers of dancing this summer.

The C. E. Society is availing itself of the help of local talent in its meetings. Mr. F. T. Duhring addressed the meeting a week ago last Sunday evening and Mrs. Stearns is to address the society next Sunday evening at 7 o'clock at the Congregational church.

On last Sunday we noted large crowds attending the Easter services in our several churches, and noticed the many new and odd Easter hats, but we can not say that we have just exactly fallen in love with the hats as is the usual Easter practice.

Jack Gottenberg is now showing his seven-passenger Columbia Auto around town this week and giving his many friends a ride. Jack has his car for hire and is ready to take parties out for a good spin to any place they desire. Give him a call.

Mrs. Wm. McElroy entertained the Ladies' Aid of the Methodist Church in the church parlors on Thursday afternoon of this week. About thirty members were present and the afternoon was enjoyed by all.

More autos have been traveling our streets the past week than we have seen around at any time before this season. The auto craze is now on and all are ready to take a spin.

We learn that an auto party contemplates going to the dance in Glen Ellen this evening. There is no doubt about their having a good time.

Good audiences attended the Easter services at the Congregational Church and about \$50 was contributed in a special offering.

W. H. Bridges, proprietor of the Sonoma Valley Harness Shop is making a special sale this week. Read his ad in another column.

Yesterday evening about thirteen of the Woodmen of the World of this city went to Healdsburg to attend the log rolling of that order, and on being interviewed this morning, though sleepy, they say they had the time of their lives. A class of 135 candidates were initiated and the work of officers was in good form. The whole city was a mass of electric lights and the City Hall stood out prominent with lights from flag staff to foundation. The banquet was well served and chicken pie predominated, and one man, who, by the way, is not a very early riser, again made himself sick from over eating. Nuf Ced.

Eugene Harris is visiting with his aunt, Mrs. Geo. Hooper, of San Francisco.

EDITOR EXPOSITOR:

The young people of a neighboring town had a yard cleaning bee, and gathered in front of one of the churches in their town and pulled up the weeds, cleared away accumulated rubbish, and made everything neat and tidy, with a very little individual effort, and with considerable enjoyment for all who took part.

Now what I had in mind is, 'why could not the Women's Club—or any one who has a desire to beautify the town—lead out and organize a bee for the purpose of cleaning and tidying the Sonoma plaza. The condition that place is now in is a disgrace to even a country crossroads. It has now been over a year since our city fathers commenced to make arrangements to do something, but with two or three spasmodic starts it seems to have returned to innoxious desuetude.

Last spring time was wasted until it became to dry to do anything except haul a few loads of dirt, and the littered plaza was the joke of every summer visitor. Jokes that galled because it was generally believed the plaza fund was sufficient to have cleared away the unsightly places. Last fall work was again put off to the very last minute, and as a consequence what little work was done, made a huge mud hole in front of the city hall during the entire winter. Of course everybody supposed the work commenced would be completed at the earliest moment possible to do so. The rains have ceased, the dry season is again at hand, and it seems that the summer visitor will find that our city has actually done what was believed to be impossible, viz:—Made the plaza look worse than before. So, if we want the plaza fixed up, we, the private citizens, who have some civic pride must make a move—and perhaps—the plaza committee will wake up and assist. Otherwise we may have to endure another summer, and yet perhaps—but what's the use! Let's get busy!

Antonio Aquistapace Arrested

While in the jewelry store of Eugene Oppiger in this city last Tuesday afternoon, Miss Millie Richards discovered a watch hanging in a case which she recognized as one her mother gave her a number of years ago. She described the watch and when her sister entered the store, she asked her if she saw any thing in the case that looked familiar, and upon investigating she also noticed and described the watch.

The watch had the name of Antonio Aquistapace written on a tag attached and a restraining order was issued and a warrant also and Constable Ryan left immediately for his prey, returning in an hour or two later with him.

On being placed in the cell of our City Hall and after close questioning he confessed the stealing of the watch over two years ago but would not tell what he did with the chain taken at the same time, valued at \$150. He was retained until Thursday afternoon in hopes that he would tell what he had done with it.

Assistant District Attorney Hoyle came down from Santa Rosa yesterday afternoon and examined the prisoner and decided to hold him for trial.

THE FIRST LETTER A Woman Writes.

THE FIRST LETTER that a sick woman should write or have some one write for her is to Dr. Pierce, of Buffalo, N. Y., asking him if "Favorable Prescription" is suitable for her case, and he will frankly tell her so if he thinks it is. He may have to ask some questions before he can be sure just what the trouble is. If you are suffering from uric acid disease, the symptoms of which are headache, backache, sideache, pain in various parts of the body, especially in the pelvic region, bearing-down, inflammation, ulceration, then Dr. Pierce will advise you to use his "Favorable Prescription" for he has had a wonderful experience in the use of this remedy. It is not a patent medicine but it is a VERIFIABLE PRESCRIPTION that became his "Favorite" when he was engaged in private practice forty years ago, and found that it cured more than ninety-eight out of every hundred of all such cases that came under his care. The doctor found scores and hundreds of women who were being improperly treated because their troubles were not understood, and he determined to place this remedy that he had used so successfully within reach of the multitudes who were in such sore need of it. He made it efficient, agreeable to taste,

and, best of all, safe for any woman, old or young, to use. It is NEITHER A STIMULANT NOR A NARCOTIC, just a vegetable tonic and invigorating remedy, composed of native roots of remarkable medicinal virtue in the treatment of this class of diseases, and its RECORD OF MORE THAN HALF A MILLION OF CURES entitles it to full confidence.

The one medicine for the cure of woman's peculiar weaknesses and ailments, the ingredients of which are printed and placed upon every bottle leaving the great Laboratory in Buffalo, Pierce's Favorite Prescription.

It Stands Alone not only in respect to its ingredients being known, but also as the only specific advertised remedy for woman's diseases which absolutely CONTAINS NO ALCOHOL.

It Stands Alone as the one medicine for women, the makers of which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce can afford to do, because his "Favorable Prescription" is made of such ingredients and after a working formula that has thousands of cures to its credit, placing its merits above criticism.

I suffered with ovarian trouble for many months until I became quite discouraged as there was scarcely a day when I was not in pain and my health was simply a wreck," writes Miss Olive Hessler, of Syracuse, N. Y. "I read one of your advertisements and decided that I would try Dr. Pierce's Favorite Prescription, as it seemed to have helped so many who were suffering as I did. I found relief after using two bottles, and a cure in three months—more than what I considered possible. I am very grateful, and so pleased with my recovery. Life looks different to me now and I shall always give the credit where it belongs—to Dr. Pierce's Favorite Prescription."

Send 31 one-cent stamps to cover cost of mailing and get a copy of the "Common Sense and Medical Advice" over 100 pages. Address Dr. R. V. Pierce, Buffalo, N. Y. These ORIGINAL Little Liver Pills, first put up by Dr. R. V. Pierce, have been much imitated, never equaled. They are made of purely vegetable, concentrated and refined medicinal principles, extracted from native American roots and plants. They specially relieve and cure foul, torpid and deranged stomachs, livers and bowels and their attendant distressful ailments. One or two a laxative three or four a cathartic.

BREVITIES

President Castro is up against it this time. No place to land. All countries are barring him. It's a good thing the boundary lines only run three miles out to sea or he would have got off the earth. Just wait Castro, airships will be in vogue presently and you can soar three miles above earth and view your native land.

A violent earthquake occurred Saturday near Sundsvall, Sweden. It lasted nearly a minute, and, according to reports, did considerable damage.

Edward S. Rowland, former cashier of the Bank of Haldsburg, was Saturday afternoon convicted of the crime of embezzlement by the jury in Judge Seawell's department of the Superior Court. The verdict was reached after a short deliberation. Following the announcement of the verdict Rowland's counsel, the Hon. T. J. Geary, asked the Court to admit the defendant to bail. Judge Seawell was not sure he could make such an order and remanded Rowland into the custody of Sheriff J. K. Smith, until Monday when the request for bail will again be renewed as an appeal will be taken to the Supreme Court.—Press Democrat.

Just a little CASCASWEET is all that is necessary to give your baby when it is cross and peevish. CASCASWEET contains no opiates nor harmful drugs and is highly recommended by mothers everywhere. Conforms to the National Pure Food and Drug Law. Sold by all druggists.

The United States battleship Mississippi, under command of Capt. John C. Fremont, has just completed her maiden target practice off Cape Cruz, Cuba, with very creditable results. The total average of hits on a floating target was 67 per cent.

This is the most dangerous time of the year to take cold, and it is the hardest time to cure it. If you should take a cold, a few doses of Kennedy's Laxative Cough Syrup will act very promptly. Its laxative principle cures the cold by driving it from the system by a gentle but natural action of the bowels. Children especially like Kennedy's Laxative Cough Syrup, as it tastes so good, nearly like maple sugar. It is sold by all druggists.

Mrs. Georgia Allyn Sampson, who has been on trial since Monday, in Lyons, N. Y., charged with murdering her husband, Harry Sampson, was acquitted to-night. Attorney Gilbert, a cousin of Mrs. Sampson by marriage, who prosecuted the case, said to-night he was satisfied.

The best known pills and the best pills made are DeWitt's Little Early Risers. They are small easy to take, gentle and certain, and are sold by all druggists.

F. Marion Crawford, the novelist, died in Sorrento, Italy, on April 9th. Mr. Crawford was one of the most prolific of modern novelists and since his first book "Mr. Isaacs" appeared in 1882 he had become known throughout the universe. Before he was an author he was well known as a sculptor. He was also an accomplished linguist, speaking Italian, Russian, Turkish and Portuguese. He was born in Lucca, Italy, in 1854.

Most women who have bad complexions have dyspepsia, or at least indigestion, which eventually will become dyspepsia. To have fine, fair skin and healthy, rosy cheeks you have to have first a good, healthy, perfect digestion in order that you may have rich, red blood. Keep your stomach well by taking Kodol for Dyspepsia and Indigestion occasionally—just when you need it. It is pleasant to take. Sold by all druggists.

Enrico Caruso, the tenor, will not sing again this season, either here or abroad. He will sit at once for Italy and rest through the summer. Caruso has been under contract to sing in Chicago and Pittsburgh. A message was telegraphed to these cities that it is impossible for the tenor to appear, and arrangements have been made for the substitution of Zenetello, of Oscar Hammerstein's Company.

Sour stomach makes sour people. It makes your disposition sour—it makes you dislike because of your sour nature. Every bit of it can be stopped just as soon as you take something to digest the food you eat. Sour stomach is caused by too much acid arising from undigested food. Kodol for Dyspepsia and Indigestion will digest any kind of food in any combination, any and all times. Keep your stomach well by taking Kodol now and then. Sold by all druggists.

It is not a question alone of graft in San Francisco now. It is rather a question as to whether in America, where "all men are free and equal," there is a law for the rich and another law for the poor, and whether a little money can be put out whole penal system at naught and make monkeys of judicial officers. Unluckily in the Calhoun case we can not in America resort to the czarlike methods which should be restored to, but must fight it out by the long slow process of law. Luckily for the honor of America Mr. Hency and his associates are gifted with the courage, ability and tenacity to fight it out on this line even if it takes this summer and the whole of the next so to do.

Deafness Cannot Be Cured by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c. Take Hall's family Pills for constipation.

The details of the settlement of the Baldwin will contest with the widow came to light recently. Mrs. Baldwin, the widow, received \$14,000,000 as her share of the \$20,000,000 estate, while the attorneys receive \$600,000. Former Governor Gage was given \$300,000, former Judge Trask, of Los Angeles \$100,000, and Garrett McEnerny \$200,000. A peculiar part of the settlement is the fact that these lawyers agree to defend the estate from any and all attacks for all time.

In Five Minutes.

Take your sour stomach—or maybe you call it Indigestion, Dyspepsia, Gastritis or Catarrh of Stomach; doesn't matter—take your stomach troubles right with you to your Pharmacist and ask him to open a 50-cent case of Pape's Diapensin and let you eat one 22 grain Triangular and see if within five minutes there is left any trace.

The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak; there is lack of gastric juice; your food is only half digested, and you become afflicted with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels, tenderness in the pit of the stomach, bad taste in the mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness and many other similar symptoms. If your appetite is fickle, and nothing tempts you, or you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery. Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapensin.

Another crank by the name of I. McPherson, supposed to be an American Artist, committed suicide a Torregaveta, Naples, by leaping from a cliff because of his inability to fulfill a commission to kill Roosevelt while he was in Naples. It is to be hoped that all such will mete out their own punishment before they can accomplish their purpose.

DeWitt's Carbonized Witch Hazel Salve is very good for chapped hands, cuts, scratches, burns or bruises, for it penetrates the skin and it heals quickly. Let it especially good for piles. Sold here by all druggists.

Wise Talks by the Office Boy.

A young man who is particular about his washing, the other day wrote a note to his laundry and one to his sweetheart, and by a strange fatality, put the wrong address on each envelope and sent them off. The young lady's read, "If you tumble up my shirt bosom any

more as you did last time, I will go somewhere else." Speaking of shirts, we'd like to tumble up our spring shirts a little showing you through, Gee, but we have the sure swell shirts and suits this season. Our suit and shirt man has certainly come through with the swellest bunch that ever came over the mountains. When we sell you shirts at retail they never have to be re-tailed again, for they are cut long and full. We have spent a good many years at the shirt and suit business and we are giving you the benefit of our experience. It is awfully satisfactory to buy a garment like a coat or a shirt from a man who knows, a man who will give you the correct sleeve length in a shirt, the easy yet neat fitting shoulder in a coat is sure satisfying we have them for the stout man and for the slim chap. We are also provid d for the regularly built man.

Try us for suits, shirts and hats. WILLIE With The Sonoma Racket Store. The price of May wheat is very high and still goes higher from time to time. The price is now over three cents higher than during the Gates corner in 1905.
